February, 2019

*... There are in the end three things that last:
Faith, hope and love;
And the greatest of these is love.*

1 Corinthians 13:13

May God Bless each of you with His warmth and Love, in your families and among your friends.

Thanks to each of you, parents, students, teachers and friends who helped to make every part of our Catholic Schools Week celebration a success.

NCCS will soon be registering students for the 2019-2020 school year. If you know anyone that is interested in sending their child to our school, please have them call the office for details. We are not perfect, but we certainly have a dedicated faculty and staff and wonderful families in our NCCS family.

Tax Liability

Tuition Scholarships

Pennsylvania established the Educational Improvement Tax Credit Program in 2001 to offer tax credits in exchange for contributions to scholarship organizations such as Northern Cambria Catholic School.

EITC can be for EVERYONE!

Parents who select Northern Cambria Catholic School for educating your child:

Tuition Scholarships are available for you to help with the costs.

Students are eligible for state-sponsored scholarships if their household income is not more than \$100,608 (family with one child; rises \$15,608 for each additional child). Opportunity Scholarships are also available for students who live in the boundaries of a low-achieving public school as determined by the Pennsylvania Department of Education.

Apply through FACTS – Information previously sent home.

Are you an **individual taxpayer, or business owner** who has a Pennsylvania tax liability of at least \$3500 and is **tired of having ALL of their tax dollars** go to the State of PA?
